ELIGIBILITY

GOCCP is making funding available to local law enforcement personnel, including crime lab staff, for training. **An agency's Total Fiscal Year LETS requests cannot exceed \$5,000.** Preference will be given to agencies that have not received LETS funding within the last six months. Future applications will continue to be accepted and processed on an on-going basis, subject to funding availability.

IMPORTANT NOTE

Applicants are required to apply for grant funding through the GOCCP online application process located on the GOCCP website www.goccp.maryland.gov. From the GOCCP homepage, look for the section entitled "Notices of Funding Availability" and click on the Law Enforcement Training Scholarship program heading. From there, you will be able to access instructions regarding the GOCCP grant application process (see Section VI).

GETTING STARTED

Thank you for applying for the **Law Enforcement Training Scholarship (LETS) program** from the **Governor's Office of Crime Control & Prevention (GOCCP)**. Governor O'Malley has made enhanced training for law enforcement one of his priorities. The LETS program provides up to \$5000 per scholarship recipient to attend specialized law enforcement trainings. Grant funds may be used to attend non-degree related courses and cover costs related to travel, lodging, course fees, and training materials. In some cases, funds may be used to bring trainers to your site.

I hope our office becomes a more valuable resource for your organization as we strive to deliver our services in a customer friendly fashion. If you need application assistance, please send an email request to TLovill@goccp.state.md.us. If you do not have access to an email account you may contact the LETS program manager, Tammy Lovill, at 410-821-2830.

GOCCP's success is measured by our sub-recipient's success. It is critical that we hear from you, our customers. To share your ideas of how GOCCP can serve you better, email us at info@goccp.state.md.us.

Sincerely,

Tammy Brown
Executive Director
Governor's Office of Crime Control & Prevention

Governor's Office of Crime Control & Prevention Mission:

GOCCP exists to educate, connect, and empower Maryland citizens and public safety entities through innovative funding and results-oriented customer service that seeks, supports and promotes best practices for the safety of Maryland's communities.

I. BACKGROUND

The Law Enforcement Training Scholarship (LETS) program is open year round for **Local Law Enforcement** agency personnel. The program is funded through the Byrne Justice Assistance Grant program.

Scholarships will range up to \$5,000 per individual, per course. No match is required.

II. PURPOSE

The LETS program pays for costs associated with attending specialized training courses. These trainings include, but are not limited to: crime scene investigation, laboratory procedures, or certification of crime lab skills, data driven policing strategies (e.g., crime analysis, mapping), law enforcement information sharing, victim services/witness protection, and investigative techniques.

The LETS program cannot support courses where the primary result is gaining college credits toward a degree, networking seminars, or generalized management trainings.

Instead, the purpose of the LETS program is to provide financial support for specialized law enforcement training, including but not limited to classes and seminars in investigation, crime prevention, and crime analysis. Each request will be evaluated by GOCCP on a case by case basis.

III. DUNS/CCR & ADDITIONAL REQUIREMENTS

In an appendix, **attach proof of your agency's current CCR registration** from www.sam.gov. Include a printed screenshot of just the page that lists your DUNS number and CCR expiration date.

Scholarships can cover several officers from the same Local Law Enforcement Agency attending the same training. However, due to the current availability of Federal funds, applicants are encouraged to limit the number of attendees and disseminate learned information to related staff. In cases where it is more cost effective, agencies may apply for LETS funds to bring trainers to their agency. Unless they run back to back, each requested training requires a separate LETS application.

Scholarships will cover the cost of training: registration, training materials, travel, hotel, and meals. **Funding will not cover overtime, back filling officers, or equipment. An agency's Total Fiscal Year LETS request cannot exceed \$5,000.** Additionally, due to funding limitations, the number of attendees per training and travel expenditures will be limited per agency. Agencies may submit more than one application per fiscal year. Due to costs involved with applying for and processing grant awards, GOCCP will not consider applications that total less than \$250.

Consistent with agency needs, individuals receiving scholarships should remain with the agency for at least one (1) year following the completion of training. **All individuals awarded a scholarship must submit proof of completed training (i.e., completion certificate).**

IV. WHAT AN APPLICATION MUST INCLUDE

A. PROJECT TITLE

The project title should be brief and precise. For example: "Criminal Analysis Training" or "Forensics Training".

B. PROJECT SUMMARY

The Project Summary provides a concise summary of your proposal in 100 words or less. Because the LETS program funds a very specific service (training), GOCCP would like to make writing the project summary as simple and consistent as possible. **Use the following template for your project summary:**

The ___Your Agency's¹ _____ XXX Training¹_____ program enhances officer's² skills and knowledge through specialized training. The program allows _#_³ officers² to attend the "requested training's name" on Month Day, Year³. This training provides information on _____.⁴ Grant funds provide registration fees, travel costs, lodging, and training materials⁵.

You will need to make the following additions/changes to the above template:

1. The beginning of the first sentence contains your Agency name and the Grant's Project Title.
2. For the first and second sentences, substitute the proper attendee title (i.e., deputies, lab technicians, etc., instead of officers)
3. In the second sentence, you will need to change the attendee quantity, add the name of training being attended, and end with the date(s) the training takes place.
4. Provide a brief explanation of what the training covers for the end of the third sentence.
5. Add/remove budget items as needed in the last sentence.

C. PROGRAM NARRATIVE

In a six-section, outline-styled format (**retaining numbering, lettering, and headers below**) provide the following information:

- i. Confirm LETS funds will not supplant local funding currently allocated to training.
- j. Confirm that LETS funding requests abide by your local jurisdiction's procurement regulations.

4. Information Sharing

- k. Describe plans to share the information learned with staff within your agency.
- l. Describe plans to share the information with neighboring agencies.
- m. Include linkages to other programs, organizations, and stakeholders that will be involved in or impacted by the grant program.

5. Timeline

- n. Provide a timeline for when the training will take place.
- o. Provide the date funds will be encumbered by.

V. SUPPLANTING

Federal funds must be used to supplement existing state and local funds for program activities and must not replace those funds that have been appropriated for the same purpose. See the OJP Financial Guide ([Part II, Chapter 3](#)).

VI. POST TRAINING REQUIREMENTS

Applicants who receive funding under this solicitation must provide data that measures the results of the scholarship funds. If called upon, attendees will share learned information with nearby agencies and staff within the attendee's agency. To assist with post-training presentations, individuals can receive a brief orientation from GOCCP's Training Unit on how to appropriately present material to other agencies. Additionally, you must provide programmatic reporting describing the completed training's benefits and must provide the following data:

1. How many scholarship recipients was funding requested for?
2. How many scholarship recipients attended the training that funding was requested for?
3. How many scholarship recipients completed the training that funding was requested for?

VII. APPLICATION PROCESS

Applicants are required to apply for grant funding via the GOCCP online Grants Management System (GMS, www.goccp.maryland.gov/gms). There are instructional videos and downloadable GMS instruction manuals available online as well (<http://www.goccp.maryland.gov/gms-training>). In addition to the instruction manual, the GMS contains numerous, interactive help buttons. Throughout the system, clicking on a blue question mark button will open an information pop-up box. If you require technical assistance with accessing the online application software, contact the GOCCP IT Department at 410-821-2828. **In order to use the GOCCP application software, you must have an USER Account.**

- All users must be associated with an Organization in the GMS.
- Organizations that are required to pass grant applications through their Executive Office, Mayor's Office, or Board of Commissioners, etc. may not be the Applicant Agency.

Login credentials may be reset via the GMS login page 'Forgot Password?' link. To set up login credentials, users, or organizations, send an email request to GMSsupport@goccp.state.md.us

Once you have logged into the GMS, you will see a list of available solicitations on the Home tab. To apply for LETS funding, click the apply button in the 'Available Funding' dashboard.

In addition to the online submission, you must submit one (1) hard copy original generated by the GMS (bearing original signatures in blue ink for the certifications and anti-lobbying documents). Additional copies of the application are no longer needed. If you need assistance with application requirements, contact Tammy Lovill at 410-821-2830 or send an email request to TLovill@goccp.state.md.us.

Your application's project dates (start and end) should be the first and last day of the month(s) in which travel reservations are to be made and the training is to take place.

VIII. EVALUATION CRITERIA

GOCCP will conduct an internal review of each application submitted in accordance with this NOFA. If all application information is submitted correctly, you will receive an email and/or written notification of funding approval/denial within 15 days of submission.

IX. DISTRIBUTION OF FUNDS & REPORTING REQUIREMENTS

GOCCP will distribute funds to recipients on quarterly reimbursement of expenditures basis in conjunction with the timely submission of corresponding quarterly Fiscal and Programmatic Reports. Reports must be submitted via both signed hardcopy and the GOCCP online reporting software. All programmatic reports are due within 15 days of the end of each quarter; financial reports are due within 30 days of the end of each quarter. Extensions will not be granted unless training is cancelled, substituted, or rescheduled. Any substituted trainings must meet the eligibility requirements as set forth in this NOFA.

<http://www.goccp.maryland.gov/grants/submit-reports.php>.

Electronic Funds Transfer (EFT) – The EFT is a direct deposit process that allows the State of Maryland to pay vendors/sub-recipients in a more timely manner. This process also removes the need for paper checks, which take longer to process. GOCCP *strongly encourages* the use of the EFT. To obtain the appropriate form, the address to submit the form, and a general overview, including FAQ's, refer to the following website:
